

Stormwater Management Strategies: from Blueprint to Budget

The Impactful Resilience Infrastructure Science & Engineering (IRISE) Consortium, the Pittsburgh Water Collaboratory, and the Southwestern Pennsylvania Commission (SPC) Water Resource Center are co-hosting a three-part webinar series titled “Stormwater Management Strategies: from Blueprint to Budget” throughout 2025. Join us for this webinar series on mastering stormwater management strategies. After the webinar series, we’ll host the IRISE Stormwater Symposium on December 4th at the University of Pittsburgh.

Webinar 3: Finance

October 28, 12:00 PM -1:00 PM, Virtual

This webinar is part of a three-part series (planning-->design-->finance) and will focus on complementary funding sources and matching funds for stormwater management projects.
